Alot Origenes is a *TRADITION* brand of *GOURMET* quality products from the Pre-Pyrenean region of Catalunya.

At Alot Origenes, we have the mission to discover and share with the world the small treasures that are produced in a traditional and original way at our area. We are passionate about preserving and promoting artisanal products that reflect the authenticity and richness of our cultural heritage.

We keep our headquarter at the Garrotxa and we think it is important that our products are km 0 to ensure their quality, freshness and the immediacy of the customer service.

Alot Origenes is a journey through time and taste, blending tradition and refinement with authentic roots.
